APPLICATION TO PUBLISH FACSIMILE REPRODUCTIONS

Fees and terms

1. Permission to publish facsimile reproductions of unique and/or rare materials in the collections of the Yale University Library will ordinarily be granted upon written application (see next page) and upon advance payment of the permission fee.
2. The permission fee to Publish Facsimile Reproductions is \$25.00 per individual illustration or page. The permission fee may be waived for academic tests with a press run under 1500 copies. The fee for Permission to Publish Facsimile Reproductions is separate from, and should not be confused with, charges for providing slides, photographs or digital images.
3. All facsimile reproductions of materials in the Yale University Library collections must include the credit line: **Yale University, Harvey Cushing/John Hay Whitney Medical Library**. This is specified on the form for the notice of approval on the following page.
4. In granting permission to publish a facsimile reproduction of an item in its collections, the Yale University Library does not surrender its own right to publish the item or to grant permission to do so. Nor does this authorization by Yale University remove the author's or publisher's responsibility to guard against the infringement of rights that may be held by others.
5. Publishable images from the many digital images on our website are available through an electronic file transfer process (ftp server). The fee for this digital image transfer is \$15.00. For this service, please contact Florence Gillich at: florence.gillich@yale.edu or through the above address.
6. Specialized duplication requests for photographic/scanning services are provided by Yale University's Photo & Design, ITS Media & Technology, 135 College Street, Suite 101, New Haven, CT 06520. (203-432-2665) photo.design@yale.edu. These services are subject to Med Media's policies and fees. Shipping charges are extra. A charge card account number is required in advance for these services.
