

## Adding Page Numbers to your citation

1. Using Write-N-Cite III click "cite" to insert citation. While still looking at that citation, click "Edit Citation" which is in top right of W-n-C.
2. Insert page number in "Text After" field. (Using the "Page Number" field doesn't always work). Click "Save to Word"
3. When the document outputs the page numbers are included in the citation.

## Volcanoes

You can do many things to protect yourself and your family from the dangers a volcanic eruption can cause {{2930 Bakeera-Kitaka,S. 2008/f, p.234;}}. Volcanoes can produce ash, toxic gases, flashfloods of hot water and debris called lahars, lava flows, and fast-moving flows of hot gases and debris called pyroclastic flows.

## Volcanoes

3

You can do many things to protect yourself and your family from the dangers a volcanic eruption can cause (Bakeera-Kitaka, Nabukeera-Barungi, Nostlinger, Addy, & Colebunders, 2008, p.234).

Volcanoes produce ash, steam, gas, and lava flows of hot rocks and debris called lahars, lava flows, and fast-moving flows of hot gases and debris called pyroclastic flows.
